

## HOW TO SPECIFY

MFR: PANELMAX®  
 STLYE: Pattern name  
 COLOR: 3-D Laminate or Raw MDF(painted by others)  
 SIZE: 48"X96" or 4'X8'

## LAYOUT OPTIONS

When specifying/ordering your 4'X8' Pattern refer to example "A"(16'X8') or "B"(8'X16') for a layout design.

Example "A" - Pattern & Grain Direction Horizontal

Example "B" - Pattern & Grain Direction Vertical

*NOTE: Sculpturing causes panel to warp. This is considered normal and is corrected by standard installation methods.  
 Installation: Z-clips along with construction adhesive is considered acceptable in the construction industry.*

*... providing "added value" with sculptured panels.*
